

Purpose Driven Partnerships. Meaningful Experiences. Lasting Impact.

Inspire young readers while creating meaningful experiences connected to the causes and community priorities that matter to your company.

A PARTNERSHIP BUILT AROUND YOUR GOALS

- Engage Employees
- Connect With Clients
- Advance Your Community Priorities
- Make an Impact for Houston Children

Our Programs are Rooted in Research

Allowing students to make choices about their reading material increased the likelihood that they would engage more in reading.

Worthy & McKool (1996), cited in *Reading Rockets*, *Reading Motivation: What the Research Says*.

...learning comes not from quiet classrooms... but from [environments] with an atmosphere of exuberant discovery.

Judy Willis, M.D., *The Neuroscience of Joyful Education*, *Educational Leadership*, 2007.
